CO2 Emissions: 150 g/km

^[1] * The fuel consumption given in km/l and the CO2 emission given in g/km represent average values. For imported vehicles: Performance data as measured in the emission test done under controlled conditions of environment, driving cycle, fuel etc. as specified in appropriate European directive. For locally assembled vehicles : Performance data as measured in the emission test done under controlled conditions of environment, driving cycle, fuel etc. as specified in Rule 115 of Central Motor Vehicle Rules, 1989.

The models, equipment and possible vehicle configurations illustrated in this configuration may differ from vehicles supplied in the Indian market. Some options may contain mandatory combinations with other options. Please check with your local Authorised BMW Dealer. Price prevailing at the time of invoicing will be applicable. Ex-showroom price inclusive of GST (incl compensation cess) as applicable but excludes Road Tax, Tax collected at Source (TCS), RTO, statutory taxes/fees, other local tax/cess levies and insurance. Prices and options are subject to change without prior notice.
